❄️❄️❄️❄️❄️❄️❄️ **WELCOME TO WINTER** ❄️❄️❄️❄️❄️❄️❄️

HAVE YOU NOTICED YOUR SKIN CHANGING WITH THE SEASONS?

When the temperature begins to drop your skin cries out for hydration. Cold weather can lead to cracks in the outer layers of your skin, inflammation and a general lack of moisture, which can impact your overall skin health. This is because the skin barrier is disrupted, and even more so when you leave the colder winter weather and step into an overheated building that circulates hot, dry air. You might find yourself suddenly itchy and feeling dry and parched. This dryness can lead to a build-up of excess dry skin on the surface, which is likely to clog your pores and cause your skin to break out or flare up, and also dehydration on a deeper level in the skin.

The best way to protect your skin from harsh seasonal weather by adjusting your skincare routine according. Our top tips to make it through the colder seasons is by swapping to a richer cleanser, thicker moisturiser & including every skin's saviour, EFA supplements.

Micro Pearl is a nourishing cleanser with a rich lather and coconut derived surfactants. Naturally derived microspheres made of jojoba oil gently wash away impurities & slough off the redundant cuticle revealing a more hydrated and luminous texture & refined appearance.

Hydroloc is an occlusive crème that is designed to prevent the skin from drying out as well as protect it from environmental damage. The safflower oil provides a rich mixture of vitamins to lock in moisture, perfect for skin exposed to artificial heating or genetically dry or flaky skin. It transforms the skin from dry & flaky to velvety & lush.

DMK's EFA's are a powerful blend of omega-3, 6, 7 and 9, & have more than 190 nutrients and bioactive substances all entirely sourced from plant-based ingredients. Coconut oil, mekabu seaweed extract, sea buckthorn and evening primrose work to soothe and nourish the body, increase water levels in the skin and improve its structural integrity and barrier function.

COSMETIC NURSE JAMES IS BACK IN THE SALON

Our Cosmetic Nurse James will be back at Amour on Monday 17th, Tuesday 18th and Wednesday 19th of June. If you would like any Dermal Fillers or Botox Injectables then James is the man to see!

James excels at creating a natural result and can give injectables to your lips, forehead, eyes, neck & frown lines.

He also offers free consultations, if you are just after a chat or some information. James has very limited appointments available so be sure to get in quick.

WINTER WARMER TREATMENTS

Our Pure Fiji Tropical Hot Stone Massage involves warmed stones that are placed on the body, combined with a nourishing Exotic Body Massage oil to release tension, restore balance and increase positive energy flow. The stones are used to gently encourage sore muscles to relax and surrender as circulation increases bringing a sense of well-being and harmony.

Experience our DMK Nutritional Facials, personalised especially for your skin type and concerns by our experienced skin therapists.

Customised especially for your skin's needs using our professional all natural paramedical DMK skincare products, your skin will be gently cleansed, exfoliated, hydrated and refreshed, leaving a refreshed luminous appearance. This rejuvenating facial treatment, will boost hydration, nourish and replenish the skin while revitalising tone and texture.

YOUR WINTER SKIN BFF

DMK's Hydrating Masque is formulated to help prevent premature ageing and to hydrate dry, dehydrated skins. Hydrating Masque helps to calm inflammation & plump up the skin through restoring hydration & increasing the skin's vital free water levels. It provides supreme hydration, which is great for skin prone to irritation and sensitivity, and encourages the appearance of firmer and more youthful-looking skin.

TO USE:

Simply apply to cleansed skin and leave for 20 minutes or overnight. Rinse off & apply homecare as usual.
